

Nirmal Maharjan

About me

A passionate programming enthusiast with a determination to employ strong technical and problem-solving skills, aiming to create a positive impact and contribute to organizational prosperity

Latest Experience

Frontend Developer

December 16th, 2024 – June 12th, 2025 at Galli maps (Galli Express Pvt. Ltd.)

- Developed the redesigned Galli Maps website with improved responsiveness and user experience
- Built the internal Galli Maps dashboard using React and Tailwind CSS for streamlined admin workflows
- Built key modules - Product Management, Order Processing and Bulk Message – for the Nepal Dairy Project, using Next.js
- Collaborated closely with the backend team to integrate APIs and ensure seamless data flow

Frontend Developer

June 1st 2024 – September 29th 2024 at Miracle Yard Pvt Ltd

- Independently migrated www.meromenu.com, a restaurant management system, from Vue 2 and Nuxt 2 to Vue 3 and Nuxt 3
- Modernized the codebase for improved performance, scalability, and long-term maintainability

Intern - Frontend Developer

November 1st 2023 – Feb 28th 2024 at Miracle Yard Pvt Ltd

- Assisted senior developers during the early stages of migrating a production app from Vue 2/Nuxt 2 to Vue 3/Nuxt 3
- Explored Vue and Nuxt through small internal projects and tutorials
- Gained foundational experience in component structure, routing, and Git workflows

Territory Executive

April 18th 2022 to November 7th 2022 at Shree Om Brothers Pvt Ltd representing Pfizer India Ltd.

- Met regularly with clients to promote pharmaceutical products and build trust
- Managed sales and distribution across assigned territory
- Delivered on allocated budget targets through strategic planning and execution
- Maintained detailed records of client interactions and performance metrics
